PROFESSIONAL EXPERIENCE

Consultant- 2015 to Present

MPG Consultants

Provide social work supervision to the Cure Violence Program, administered through the Department of Health and Hygiene in New York City

Clinical Associate Director - 2004-2015

Reality House Inc., New York, NY

As a senior administrator responsible for agency certification for C.A.R.F., policy and procedure development, contract compliance, quality assurance, staff hiring, staff development and termination, and agency to agency agreements. Responsible for the day to day operations of an OASAS funded and licensed chemical dependency Part 822 outpatient program and a 30 bed, 9 million dollar veterans facility.

Major Accomplishment: Acquired the company’s first three-year CARF accreditation in 2006 and three times secured a three year operating certificate from OASAS audits for recertification.

Assistant Director - 2003-04

Moving Forward/NADAP, New York, NY

In association with the director, designed, planned and implemented a million dollar special city wide trauma centered, cultural competent research project, funded by OASAS. Administered and coordinated, with various community based organizations and coalitions, the assessment system and service delivery mechanism to alleviate mental health and drug problems associated with Post 911 Trauma through various modalities. Through conflict resolutions assisted organizations in creating a safe space to process competing agendas. Organized, hired, trained, managed, and evaluated over 30 staff and consultants in order to facilitate psycho-education groups, and provided individual consultations and referrals for over 3000 NYC residents and over 50 community- based organizations to enhance social functioning, published findings in a final project report.

Major Accomplishment: The byproduct of this city- wide initiative was the creation of an integrated community network of human services providers that continued with monthly meeting after the successful termination of the project, thereby modeling the principles of community participatory research and creating community sustainability where it had not existed.

Vocational Counselor 2003-04

Midtown Community Court, NY

Assisted individuals with minor offenses with education, job counseling, job readiness, job training and employment stabilization.

Major Accomplishment: Introduced the 12 life area -life planning program

Director - 2000-02

Phoenix House, Long Island City, NY

Managed and directed the day-to-day operations of a 250-bed therapeutic community, Supervised 10 staff, including senior counselors, counselors, and trainees, and conducted clinical training for counselor trainees through Phoenix Training Institute.

Major Accomplishment: Developed a 28 point client retention program increasing retention of clients in treatment service from 1 to 90 days by 150% within the first year of implementation.

Counselor/Supervisor -1998-00

Bronx Lebanon Half Way House, Bronx, NY

Responsible for the oversight of staff and residents during weekend operations for a 22-bed OASAS regulated facility, which included crises intervention, counseling, therapeutic groups, meals and recreation activities.

Director of Facility and Special Services - 1994-00 ***Phase: Piggy Back, Inc. New York, NY***

Responsible for project development at Striver House for seven million dollar start-up drug-free, 60-bed residential facility including a capital budget for a gut rehab, staffing, building and safety systems, third party (HRA) reimbursement plus special services such as counselor training and development. As project leader from planning to implementation phase, responsible for the writing of all policy manuals and training of all training

Major Accomplishments: Member of senior team that transformed agency from local community based drug treatment agency of a operating budget of \$ 500,000 to a community development corporation enhancing the community profile by adding housing and medical service to the company's portfolio increasing the corporation's budget to \$6,000, 000.

Clinical Coordinator -1992-94

Phase Piggy Back, Inc., New York, NY

Responsible for policy development, procedures and protocols, contract management and staff supervision for outpatient substance abuse treatment and HIV+ services on the Okhute Project.

Clinical Director 1988-92

Phase Piggy Back, Inc., New York, NY

Set policy development, procedures and protocols, contract and fiscal management, as well as staff supervision for the Youth, Intervention and Development Program. Conducted policy analysis for youth between the ages of 7 and 18 related to substance abuse prevention services, and providing auxiliary services to their families, including education, family and parenting education and counseling.

Major Accomplishment: Co-created the company's distinct Treatment philosophy and program model, *Resocialization*, based on the Total Community Involvement and the 35 Principles.

CONSULTING AND TRAINING EXPERIENCE
